## NO OCCASION TO FEAR COAL FAMINE

Plenty of Fuel in Storage and Mine Output Increasing.

### GORDON S. GRANT OBSEQUIES

"American" Candidates Decline Doubtful Honors—Preparing for Big G. A. R. Encampment.

Ogden, Oct. 23.—D. O. Clark, general superintendent of the coal department of the Harriman system, passed through Ogden yesterday en route from the coast to Wyoming, where he will inspect the mines of the Union Pacific Coal company.

While in the city Mr. Clark made a statement to the press, in which he says that there was no cause for anxiety over the coal supply. The railroad companies have plenty of coal in storage for their use and all that is being mined is divided between railroad and commercial use. The recent storm, Mr. Clark said, has caused unnecessary uneasiness, as all the western mines are increasing their outputs right along. With a few weeks of good weather everything will be in a normal condition for the winter.

#### MANAGER FOR BIG RANCH.

Adam Patterson leaves in a few days for Nevada where he will assume active charge of the Sparks-Harvey ranch which was recently purchased by Ogden capitalists, composed of David Eccles, Adam Patterson, Joseph Scowcroft and M. S. Brown. It is the purpose of the Ogden investors to add 100,000 head of sheep to the 30,000 head of cattle that go with the ranch.

#### PREPARING FOR GRAND ENCAMPMENT.

The local committee of the G. A. R., who are assisting the Salt Lake committee in preparing for the national encampment of the Grand Army of the Republic which meets in Salt Lake City next year, were the guests of the Chamber of Commerce yesterday evening at which time the matter of Ogden City taking an active part with Salt Lake City in the matter of the entertainment of the veterans was discussed. If the eastern committee of the Army comes to Salt Lake City and finds that the city can not properly

## Splendid Prescription to be Mixed At Home and Dilemmas.

### BACKACHE IS A WARNING.

How to Find Out if the Kidneys are Affected and What to Do—What Causes Rheumatism and Blood Disorders.

There are more cases of kidney trouble here now than ever before, while recent reports show that more people succumb each year to some form of kidney disease than any other cause.

When there is sickness, examine the urine. Rheumatism is only a symptom of kidney trouble, nothing more or less than excessive uric acid in the blood, which the sluggish, inactive kidneys have failed to sift out, leaving it to decompose and settle about the joints and muscles, causing intense suffering, frequently resulting in deformity, often reaching the heart when death ensues.

Pains across the back, frequent painful and suppressed urination and other symptoms of weak bladder are not the only signs of kidney trouble. Many cases of stomach disease, headache, pain in the heart, inactive liver, etc., are but symptoms; the cause of which can be traced to feeble, clogged kidneys.

A simple test of the urine is to void a small quantity in a bottle or glass and let it stand over night; next morning, if there is a reddish brick-dust sediment, or white fleecy substance present, either consult some reputable physician, or take a good vegetable treatment. The following prescription is recommended highly in these cases, and the sufferer can mix it at home: Compound Kargon, one ounce; Fluid Extract Dandelion, one 1/2 ounce; Compound Syrup Sarsaparilla, three ounces. Shake well and use in teaspoonful doses after each meal and at bedtime.

Where any of the symptoms enumerated above are present, good results are sure to follow immediately the use of this simple prescription.

care for the visitors, it is stated that the encampment will be held elsewhere. The purpose of the meeting, Wednesday evening, was for the finding out the extent of the accommodations that this city can offer.

#### WM. F. STOKER DEAD.

William F. Stoker, an esteemed citizen of this county, died at his home in Plain City, Wednesday evening of pneumonia, from which he has been suffering for a week. The deceased was born in England, June 4, 1859, and came to Utah in 1881. He has been active in farming and mercantile business in Plain City for a number of years.

The deceased is survived by his wife, five daughters and six sons. The funeral arrangements will be made later.

#### GORDON GRANT OBSEQUIES.

Most impressive were the funeral services that were held over the remains of the late Gordon Stuart Grant at the Richey funeral chapel yesterday afternoon, which were conducted by the Masonic lodge.

Representatives from the various lodges and clubs of which the deceased was a member as well as a very large

number of friends and relatives gathered to pay their final respects to the noble young man who met with such an untimely death.

The music was furnished by Miss Myrtle Ballinger, who sang "Rock of Ages," and Gus Sander, who sang "One Sweetly Solemn Thought." Prof. Squire Coop was the accompanist. The sermon was delivered by Rev. Brown, followed by the Masonic ritual.

Besides the many in attendance were members from the Elks lodge, the Weber club and the Ogden Press club. The floral offerings were many and beautiful.

#### FUNERAL OF MRS. HANSEN.

The funeral services over the remains of Mrs. Martha A. Hansen, wife of J. Lewis Hansen, were held Tuesday afternoon at the Warren meetinghouse, Bishop W. L. Stewart presiding. The speakers were William T. Waymont, John Barton, Samuel Waymont, Peter Folkman, John Bingham and Bishop Stewart. The ward choir furnished the music. The interment was made in the city cemetery.

#### DOUGLAS-CANNON NUPTIALS.

Frank Q. Cannon and Miss Glen Douglas were married last evening at the home of the bride's parents, Mr. and Mrs. James Douglas, on Madison avenue.

#### COLORADO COOK DROPS DEAD.

Fred White, a negro waiter employed on a Union Pacific dining car, dropped dead Wednesday evening on train No. 5 while en route west. The mail was reporting for supper and sank to the floor, expiring before aid could be given. Physicians pronounced the trouble as "high altitude," which affected the action of the heart.

#### DOUBTFUL HONORS DECLINED.

The "American" party of Weber county is up against it. It has named a ticket to be placed on the ballot here this fall, but all who have been named are eager to get off the ticket.

Since naming the ticket several of the young and active leaders have been "called out of town on business" and they "can't say when they will be back." Candidates are resigning every day and unless the "Americans" offer some prize for the one who can stay on the ticket the longest, it "looks" as though all the eight or nine nominees will resign.

George Craig, nominated for county commissioner, is one of the latest nominees on the "American" ticket in Weber county to decline the "honor." Since the naming of the ticket the central committee has been extremely busy hustling candidates and nominees for the places made vacant by the resignations. If election was four weeks off instead of less than two there would not be any American party in Ogden, according to the rate the members are drawing out.

#### LICENSE TURNED DOWN.

At an adjourned meeting of the city council last night the city council considered its former action in granting the license and voted unanimously to refuse Ed Vinton's offer, the license to sell liquor in Ogden. This, it is believed, will dispose of Vinton's ambition to become a saloonkeeper in this city.

#### JUNCTION CITY BRIEFS.

Realty Transfer—James Devine, the city attorney has purchased the H. R. Macmillan property on east Twenty-fourth street, the consideration being \$7,500.

Reed Hotel Clerk—H. W. Beckett, Jr., for five years assistant chief clerk at the Reed hotel, has been made chief clerk, the position held by the late Gordon Stuart Grant.

Cooks and Waiters' Union—The Cooks and Waiters' union meets at the Union Labor hall Sunday afternoon to complete their organization, for which a charter has been received from the American Federation of Labor.

Wedding Permits—Marriage licenses were issued yesterday afternoon to G. C. Christensen and Alice M. Glanville, both of Salt Lake, and to Ralph Grant and Nellie Mooney, both of Harrisville.

#### LOGAN.

##### MUSICAL ENTERTAINMENT.

Prof. William Spicker Will Give Violin Concert Nov. 12.

Special Correspondence.  
 Logan, Cache Co., Oct. 22.—An excellent musical entertainment was given at the Nibley hall last evening. Those who took the leading roles were Elder Hiber J. Grant and daughter Edith, and H. S. Ensign, of Salt Lake, Miss Hazel Barnes of Kayville, Miss Willie Hart, Prof. W. O. Robinson and Miss Zella Smart of Logan. There were about 500 people present and the musical was a decided success.

The Oliver-Ellison-Schettler recital will be given at the Nibley hall Oct. 28. At the Logan tabernacle Nov. 12. Prof. William Spicker will give the Logan music lovers a treat in violin concert. He will be ably assisted by S. E. Clark and H. G. Smurthwaite, both local talent.

She entered the L. D. S. church in 1880, emigrated and arrived here two years later. Five children and 23 grandchildren survive her. She was a noble and highly respected woman.

The funeral was held yesterday at the Second ward meetinghouse. Elders David E. McBride and James L. Pacer, left on the 20th inst. to perform a mission in the eastern states. Before leaving their friends assisted them in a very substantial manner.

The late heavy storms have delayed the threshing of much grain and harvesting of sugar beets.

JUDGES OF ELECTION.

Storm Very Disastrous to Potato Crop And Young Orchards.

#### Special Correspondence.

Parowan, Iron Co., Oct. 21.—The weather here has been most unusual for this

time of the year. There has fallen in the past five days snow enough to make over 2.10 inches of water, and it is likely to prove disastrous to the potato crop, as practically all the crop is yet in the field. Much damage has been done to trees and especially to young orchards from the weight of snow hanging upon the branches.
